## AWARENESS RAISING AND REMEMBRANCE DATES

There are many **annual awareness raising and remembrance dates** each dedicated to making positive relationships in the world matter.

Relating activities to one or more of the annual awareness raising or remembrance dates will link you to like-minded projects and causes.

Sharing children's awareness-raising projects at the same time as others on a similar topic, will also provide you with additional local, national and global support.

If you type them into a search engine, they will also provide you with further resources, stories and ideas of how to raise awareness on a particular issue.
